EDUCATION

2012-2016 University of Taubaté

BS: Computer Engineering Degree

2022-2023 FIAP

Solutions Architect MBA

This course was focused on solutions and software architecture for enterprise with the best practices using Cloud.

SKILLS

Back-end:

NodeJs, Python, PHP, Java, .NET, Go

Front-end:

HTML, CSS, Javascript, ReactJS, VueJS, Svelte,

Solid, Qwik, WebAssembly, Web Workers,

Service Workers, PWA

Databases / Storage:

PostgreSQL, MySQL, MongoDB, DynamoDB,

Redis, ElasticSearch, SQL Server

Devops and Cloud:

Docker, Kubernetes, CI, CD, Jenkins, Github

Actions, AWS (EC2, S3, RDS, Lambda, SQS,

Bedrock), Azure (Virtual Machine, App Services,

Container Apps, Azure Functions), Google

Cloud Platform (Cloud Run, Cloud Functions)

Frameworks:

Next.js and Remix (React), Nuxt (Vue),

Express.js, Koa, Fastify and Nest.js (Node.js),

FastAPI, Flask (Python), Laravel (PHP),

EXPERIENCE

Senior Software Engineer

Proxify - October 2023 - current

Development of application for real estate industry using Next.js on frontend, Node.js/Postgres on backend. Hosting: AWS, Vercel and Supabase

Senior Software Engineer

Venturus - June 2020 - November 2023

Development of applications (frontend & backend) with microservices using React on frontend, Node, Python, Docker and Kubernetes on backend. Cloud: AWS and Azure

R&D Software Engineer

LG Electronics do Brasil - December 2017 - June 2020

R&D projects to improve production processes, using Python (Django, Flask, FastAPI), NodeJs (Express, Adonis, Nest.js), Java (Spring), C# (.NET)

Fullstack Developer

Dealweb - September 2015 - June 2017

E-commerce platform development (PHP, MongoDB, MySQL, Redis, ElasticSearch). Cloud: AWS

Digital Business Integration Analyst

Accenture Brasil - July 2017 - December 2017

Development of APIs for high scalable applications using Microservices in Node.JS, AWS SQS, Postgres, Oracle, Docker and Kubernetes. Cloud: AWS

Software Engineering Intern

FAPETI - October 2012 - September 2015

R&D projects. Developed applications for digital certificates, cryptography, security.
